

Houghton College and the Task Force for Quality Inclusive Schooling cordially invite you to attend a dinner/professional development event on

# *Linking Positive Behavioral Supports to a Response to Intervention Framework*

Featuring presenters from Lockwood Elementary School  
(Letchworth Central School District)

**Mr. William Bean, Principal**  
**Dr. Pamela Wilkie, School Psychologist**

Come and experience one school's journey through the development, implementation and ongoing evaluation of a school-wide Positive Behavioral Support program. Presenters will discuss the challenges and successes they've encountered with their program and how PBS has facilitated the transition to an RTI model.
