

Rochester Area Film Premiere

INCLUDING SAMUEL

Followed by a conversation with filmmaker and photojournalist Dan Habib

Dan Habib rarely thought about the inclusion of children with disabilities before he had his son Samuel eight years ago. Now he thinks about inclusion every day. Habib documented his family's efforts to include Samuel in every facet of their lives, a journey that transforms each of them. *Including Samuel* also features four other families with varied inclusion experiences, plus interviews with dozens of teachers, young people, parents and disability rights experts. A trailer and additional information are available at www.includingsamuel.com.

This event is free and open to the public. Reservations are required. Please call (585) 276-3986 or e-mail events@warner.rochester.edu. The film is open captioned, and a sign language interpreter will be provided for the discussion.
